

## Push Up Bars

Category:

Product ID: **GTTG511**

Price: **12.00 EUR**

Availability: **In stock**

[See it in our store.](#)

With a set of Push Up Bars you can minimize hand, wrist and elbow stress when performing push ups. Bars feature heavy gauge steel construction, foam covered hand grips and non-slip plastic end-cap protectors. Easy assembly; sold only in pairs. Use them to build upper body strength, especially shoulder, chest and upper back muscles.
