

Hanwei Practical Katana

Category:

Product ID: SH1070

Manufacturer: Hanwei

Price: 319.00 EUR

Availability: Out of stock

[See it in our store.](#)

The Practical Katana gives the martial artist the opportunity to own and use a Hanwei sword at the cost of an economy sword. The blade is forged and differentially tempered, using the same process as the more expensive blades and producing an HRC60 edge and HRC40 back. The temper line is authentic and prominent. Cost savings are effected by using fittings which, while making no claims to authenticity, are very strongly built to withstand the rigors of cutting exercises in the dojo.

Forged high-carbon steel blade
Differential tempering
Hanwei made

Product parameters:

- Total length: 100 cm
- Blade length: 71 cm
- Blade thickness: 6 mm
- Weight: 1,05 kg
