TO-SHIN DO TAKAGI YOSHIN RYU JUTAIJUTSU SHODEN is a complete self-contained self-defense course as developed by Takagi Oriuemon Shigenobu in late 1600s Japan . This 6-DVD set presents training exercises in advanced evade-and-capture skills for countering knockdown punches and kicks and restraining grabs from front and rear, as well as intercepting rescues of friends. An-shu Stephen K. Hayes teaches the in-depth details necessary to master the 13 classical forms, and demonstrates strategies for modern street and field fighting based on the ancient principles of the Takagi Yoshin Ryu as taught to him by his teacher Masaaki Hatsumi.
