The blade is Koto style, forged from Japanese High Carbon steel, clay coated, heat treated, hand polished and features a half bo-hi. The Koshira feature a elegant Koto style design. The saya has a rich black gloss finish with a buffalo horn Koiguchi and silver kurikata. The tsuka ito is wrapped in a black Japanese silk with white same' and features brass antique style Fushi, Kashira, tsuba and 92.5% silver menuki, seppa and silver Habaki. The Isamashii Japanese Wakizashi is forged using the Japanese Nihonto method and can be completely disassembled for full maintenance. This Japanese wakizashi is extremely sharp and is fully functional.
