Cold Steel is a world known maker of knives, swords and other edged weapons and tools, all products are made of best available materials. Company was founded in 1980 by company president, Lynn C. Thompson. The company's products include fixed blade knives, folding knives, swords, machetes, tomahawks, kukris, blowguns, walking sticks, and other martial arts-related items.

[See it in our store.](#)

Cold Steel Balicki Trainer. Now we are offering a "soft" Balicki Training Stick as well. Made with a high impact plastic core and overmolded with foam, and another layer of polypropylene, it offers a greater margin of safety and comfort. Ideal for solo training and sparring, it's sure to give many hours of hard use like its heavier brother. However, eye and hand protection are definitely still required!

Product parameters:
