[See it in our store.](#)

The Piercer is a dual-wielded, double-pointed spike. Connected to the main shaft is a ring meant to encircle the finger so that it may be twirled. This weapon is much more subtle and concealable than any sword or bladed weapon; combatants are often unaware of the Piercer until it is too late.

Product parameters:

- Diameter: 2,8 cm
- Length: 32 cm
