Limited Edition katana from Hanwei! We've been asked many times for limited editions of Hanwei Samurai swords and we think that we've found a winner in the Momo-no-Saru (or Peach Monkey). Limited to 500 Katana and 125 Wakizashi worldwide, the swords are built on folded Swedish powder-steel blades with the finest quality furniture. The blackened iron Tsuba and Fuchi/Kashira depict monkeys raiding a peach tree – a traditional favorite in Japan. Each sword comes with a numbered Certificate of Authenticity.
