Product ID: SH2063

Manufacturer: Hanwei

Price: 244.00 EUR

Availability: Out of stock

[See it in our store.](#)

The Practical Gongfu Broadsword (SH2063) sword is a further extension of our Practical Series. Featuring a distal-tapered high carbon steel blade, wrapped grip and steel fittings. The saber is a traditional ox-tail design. The textured wooden scabbards are designed with slotted openings, which makes both for easy sheathing and graceful lines. In line with other swords in the Practical series, the Practical Gongfu Broadsword is very affordable.

Product parameters:

- Total length: 85 cm
- Blade length: 71 cm
- Weight: 0,8 kg
