

Rawlings Synthetic Longsword Grip

Category:

RDA001GP

Product ID: RDA001GP-R

Manufacturer: Red Dragon Armoury

Price: 10.00 EUR

Availability: Out of stock

See it in our store.

Our grips are manufactured from a rubber-like thermoplastic elastomer designed to absorb the impact of strikes as they are transmitted along the blade. They are designed to slide off the Sword's tang with relative ease and will compress for a tight fit.

Product parameters:

- Weight: 68 g
- Length: 19,5 cm
- Colour: red
