[See it in our store.](#)

The Synthetic Basket Hilt Pommel and Guard Set has been specially developed to fit the Rawlings Synthetic Single Hand Sparring Sword.

The special blend of performance plastic that goes into the manufacture of these products makes them virtually indestructable.

The guard is large enough to accomodate lacrosse gloves should they need to.

Special thanks goes to the English Martial Arts Academy for their help with the development of this product.

Product parameters:

- Type: pommel
- Colour: black
