Dating back to the 5th century BC, the Greek Hoplite sword is a remarkable example of ancient weaponry. Greek Hoplites were renowned for their strength and effectiveness as citizen-soldiers, fiercely defending their city-states. The distinctive leaf-shaped blade of this sword, inspired by numerous archaeological finds and historical illustrations, was widely used across the ancient world. This authentic reproduction features a high carbon steel blade, a steel guard and pommel, and a wood grip wrapped in leather for a secure hold.

This exceptional ancient Greek sword comes complete with a leather-covered wooden scabbard, making it a standout piece for collectors and enthusiasts of historical arms.
